

## Selection Criteria

The recipient of the award must:

- Be a Phoenixville Area High School senior who has an academic ranking within the top half of his/her graduating class.
- Be planning to attend an accredited school of higher learning and planning to major in English, Journalism or Communications.
- Have shown dedication to school and community during the candidate's high school career.
- Complete an application and a typewritten essay or video containing the candidate's thoughts or ideas on how to make the world more awesome. Be creative and dream big considering an impact we each can make whether large or small.
- Satisfy the above criteria and have your counselor submit verification and application materials on or before deadline. The deadline changes yearly, check with your guidance counselor or go online to <http://www.jajms.org> for current deadline.

---

# ESSAY and/or VIDEO

Please complete a typewritten, double-spaced essay or short video on one of the following topics:

- What do you think is the most threatening social or environmental problem of our time. What solution(s) you would offer/implement to solve this problem.
- Describe a current situation that you think will evolve into a threatening social or environmental problem of the future. What changes would you implement today to eliminate the problem in the future?
- Describe or show how you would make this world more awesome! Think Project for Awesome or something as simple as Kid President.
